

## NFA BASIC System Customer Notice

Thank you for deciding to trade with Halifax America LLC. - We are glad to have you as a client and greatly value your business. In accordance with NFA membership requirements we must make you aware of a helpful tool that NFA has created to guide you through your investment experience; The National Futures Association ("NFA") Background Affiliation Status Information Center ("BASIC"). This system compiles and makes available historical information on NFA members and CFTC registrants for the public to access over the internet. Information available on the site includes but is not limited to things such as a firm or individual's disciplinary history, registration history, and company affiliations.

The NFA BASIC system may be accessed at [www.nfa.futures.org/basicnet/](http://www.nfa.futures.org/basicnet/)

To locate information on a registrant, simply enter the registrant's NFA ID number when prompted or type the registrants name in if you are unaware of an existing ID number. For questions regarding this system, you may contact the NFA information center at 1-800-621-3570 between the hours of 8:00 a.m. to 5:00 p.m. CST. Thank you again for choosing Halifax America LLC, we look forward to servicing your account.
